

ARUN KUMAR K G

B.Tech Information Technology Student

Information Technology Undergraduate (2026)

Email: ganesharun353@gmail.com | Phone: +91 79941 34764 | Location: Kasaragod, India | DOB: 05 July, 2004 | LinkedIn: [LinkedIn Profile](#)

PROFESSIONAL OBJECTIVE

B.Tech Information Technology student (2023–2026) with a strong diploma foundation and hands-on experience in web development and automation projects. Seeking opportunities to apply skills in programming, databases, and modern web technologies, while expanding into emerging domains like IoT and AI to build efficient, scalable solutions that support organizational goals and continuous learning.

EDUCATION

B.Tech in Information Technology 2023 – 2026 LBS College of Engineering, Kasaragod CGPA: 7.1

Diploma in Computer Engineering Govt Polytechnic College, Periya	07/2020 – 07/2023 Score: 70%
--	---

THSLC Govt Technical High School Mogralputhoor	06/2017 – 03/2020 Score: 80%
--	---

Additional Course: Electrical Wiring and Maintenance of Domestic Appliances

PROJECTS

Farming Assistant Web Service (Nov 2024 – Apr 2025)

Developed a digital platform connecting farmers with suppliers to reduce middlemen. Implemented real-time price tracking, direct communication, and secure transactions to improve agricultural commerce efficiency.

Automation of AISHE Report Generation (2022 – 2023)

Automated report generation to reduce staff workload and documentation costs. Built data-processing logic that improved accuracy and reduced manual intervention by ~80%.

Student Semester Registration Application (2021 – 2022)

Built a semester registration application in Java with a user-friendly interface and robust backend to streamline registration and improve data management.
