PROFESSIONAL SUMMARY

Highly motivated B.Tech Information Technology student with a strong diploma foundation and hands-on experience in web development and automation projects. Proficient in Java, Python, JavaScript, and SQL, with practical experience in developing web applications, building REST APIs, and working with databases. Eager to apply problem-solving and analytical skills to contribute to clean, maintainable code within a collaborative team environment, while expanding knowledge in modern web technologies and AI.

PROJECTS

Farming Assistant Web Service

- Developed a digital platform connecting farmers with suppliers to streamline agricultural commerce and reduce middlemen.
- Implemented real-time price tracking, direct communication, and secure transaction functionalities to improve efficiency.

Automation of AISHE Report Generation

- Engineered an automation solution for AISHE report generation, significantly reducing staff workload and documentation costs.
- Built robust data-processing logic that improved report accuracy and decreased manual intervention by approximately 80%.

Student Semester Registration Application

- Created a comprehensive semester registration application using Java, featuring a user-friendly interface and a robust backend.
 - Designed the system to streamline student registration processes and enhance overall data management efficiency.
-

EDUCATION

B.Tech in Information Technology

2023 – 2026

LBS College of Engineering, Kasaragod

CGPA: 7.1

Diploma in Computer Engineering

07/2020 – 07/2023

Govt Polytechnic College, Periya

CGPA: 70%

THSLC

06/2017 – 03/2020

Govt Technical High School Mogralputhoor

CGPA: 80%

Additional Course: Electrical Wiring and Maintenance of Domestic Appliances

SKILLS

Programming Languages: C, C++, Python, Java, PHP

Web Technologies: HTML, CSS, JavaScript

Frameworks & Libraries:

Databases: SQL, MySQL

Tools & Platforms: GitHub, GitLab, Dialogflow, Git

Core Concepts: OOP, Networking, REST APIs, SDLC, Digital Computer Principles

Professional Skills: Communication, Teamwork, Problem-solving, Analytical Skills, Initiative, Quick Learner, Collaboration

LANGUAGES

• English, Malayalam, Kannada, Tulu
